

## What we do for schools

At Clarkes of London we believe that an educational visit can be the ultimate learning experience.

For over 60 years Clarkes of London has helped teachers and group leaders plan and organise a huge variety of school trips.

As an award winning coach operator we will make sure that your trip really hits the mark. Clarkes of London can provide a range of vehicles to suit your needs.

We will work with you to ensure your trip is well planned and that it meets your study requirements and budget. In addition we will always endeavour to go a little bit further to make your trip extra special!

So whatever the age and size of your group and wherever you want to go in the UK or Europe, get in touch and let Clarkes of London take the hard work out of planning your next school trip.

# School Super Saver Hire Checklist
